The emails are in date order. In this story Al-Hamra confirmed the proposal on 27 October 2026, and the project started on 2 November 2026.

Email 1: Cold Email (Introducing Our Services)

Date: Monday, 5 October 2026

From: Ayesha Khan ayesha.khan@nexabridge.example

To: Adeel Hamid adeel.hamid@alhamra.example

Subject: Fewer stock errors and faster reports for Al-Hamra: a 30-minute call?

Dear Mr. Hamid,

I am Ayesha Khan, Managing Consultant at NexaBridge Consulting. We help growing distribution companies replace Excel sheets and paper registers with one connected business system (ERP).

Many distributors with several warehouses face the same three problems: orders taken on WhatsApp and paper get missed, stock figures in Excel are often wrong, and monthly reports take days to prepare. We help companies fix these in six months, in clear phases, with training for your staff.

I would value 30 minutes to learn how Al-Hamra works today and to share what we could do for you. There is no cost and no obligation.

Would Thursday, 8 October, or Friday, 9 October, suit you for a short call? Please suggest any time that works better.

Kind regards,

Ayesha Khan

Email 2: Bidding Email (Our Bid for Your Needs)

Date: Tuesday, 13 October 2026

From: Ayesha Khan ayesha.khan@nexabridge.example

To: Adeel Hamid adeel.hamid@alhamra.example

Subject: Our bid for Al-Hamra's ERP project: 26 weeks, PKR 4,395,000

Dear Mr. Hamid,

Thank you for speaking with me on Friday. It helped me understand what Al-Hamra needs. As discussed, our bid is below, based on the needs you shared.

What we understood

- Sales orders, stock, purchasing and accounts run on separate Excel files, paper and WhatsApp.
- About 25 staff members will use the new system across 3 warehouses.
- You want accurate stock, faster reports and a system your own team can run.

Our bid

- Scope: ERP setup for Sales, Inventory, Purchasing, Accounts and Reporting, with data migration and training.
- Duration: 26 weeks, from Monday 2 November 2026 to Friday 30 April 2027, with go-live on 5 April 2027.
- Indicative investment: PKR 4,395,000, excluding taxes. Of this, PKR 1,200,000 is software licences, which we pass on at our cost with no mark-up.

Why NexaBridge

- We are independent: we do not sell software, so our advice favours you.
- You approve every phase before the next one starts.
- Your staff are trained, and we support go-live for four weeks.

I will send the full proposal on Thursday, 15 October, with the detailed costing, timeline and risk plan. If any of the numbers above (users, warehouses) are not right, please tell me and I will update the bid.

Kind regards,

Ayesha Khan

Managing Consultant, NexaBridge Consulting

Email 3: Sending the Proposal

Date: Thursday, 15 October 2026

From: Ayesha Khan ayesha.khan@nexabridge.example

To: Adeel Hamid adeel.hamid@alhamra.example

Cc: Sana Iqbal sana.iqbal@alhamra.example

Subject: Proposal: ERP and Digital Transformation for Al-Hamra (6 months)

Attachment: Project Proposal: ERP & Digital Transformation (6 Months)

Dear Mr. Hamid,

As promised, please find attached our proposal for implementing an ERP system at Al-Hamra Distribution.

The key points are:

- **Duration:** 26 weeks, from 2 November 2026 to 30 April 2027.
- **Go-live:** Monday, 5 April 2027, followed by four weeks of close support.
- **Investment:** PKR 4,395,000, excluding taxes, paid in five milestone instalments.
- **Your control:** you approve each of the five phases before the next begins.

The proposal also covers the SWOT analysis, risks and how we manage them, and the team we will assign. It is valid until 14 November 2026. To keep the 2 November start date, we would need your confirmation by 28 October 2026.

I would be glad to walk you and your team through it in a 45-minute meeting next week. Please let me know a day and time that suit you.

Kind regards,

Ayesha Khan

Managing Consultant, NexaBridge Consulting

Email 4: Costing Details Discussion

Date: Monday, 19 October 2026

From: Ayesha Khan ayesha.khan@nexabridge.example

To: Sana Iqbal sana.iqbal@alhamra.example

Cc: Adeel Hamid adeel.hamid@alhamra.example

Subject: Costing details for the Al-Hamra ERP proposal, and a meeting on Wednesday

Dear Ms. Iqbal,

Thank you for your call this morning. You asked how the total of PKR 4,395,000 is made up and whether it can be lower. Here is the full picture.

How the cost is built (excluding taxes)

Item	How it is calculated	PKR
Our consulting fee	4 specialists, charged by the months they work on your project	2,900,000
Software licences	25 users x PKR 8,000 x 6 months, at our cost with no mark-up	1,200,000
Training	Workshops, printed guides and manuals	150,000
Contingency	5% of our fee, used only with your written approval	145,000
Total		**4,395,000**

Any unused contingency is deducted from our final invoice.

One option to lower the cost

If Al-Hamra starts with 20 users instead of 25, the licence cost falls to PKR 960,000. The total then becomes PKR 4,155,000, a saving of PKR 240,000. Extra users can be added later.

Payment

Payment is in five milestones tied to approvals: 20% on signing (PKR 879,000), 20% at design sign-off, 30% when data migration is complete, 20% at go-live and 10% at final handover.

May I suggest we go through this together on Wednesday, 21 October, from 11:00 AM to 12:00 noon at your Lahore office? I will bring the detailed costing sheet.

Kind regards,

Ayesha Khan

Managing Consultant, NexaBridge Consulting

Email 5: Follow-Up Before the Deadline

Date: Monday, 26 October 2026

From: Ayesha Khan ayesha.khan@nexabridge.example

To: Adeel Hamid adeel.hamid@alhamra.example

Cc: Sana Iqbal sana.iqbal@alhamra.example, Bilal Ahmed bilal.ahmed@alhamra.example

Subject: Following up: confirmation of the ERP proposal by Wednesday, 28 October

Dear Mr. Hamid,

Thank you to you and Ms. Iqbal for the useful costing discussion on Wednesday. I hope the details cleared up your questions.

I am writing to follow up on our proposal. To start on Monday, 2 November 2026 as planned, we need your confirmation by Wednesday, 28 October 2026. Once you confirm, I will send the agreement for signature and the first invoice (PKR 879,000, which is 20% of the total).

If you need more time or have further questions, please tell me. A short 15-minute call is enough, and I can speak at any time that suits you this week. If the start date needs to move, we can shift the whole plan by the same number of weeks. The 20-user option from our last discussion is also still available.

Thank you for your time and consideration.

Kind regards,

Ayesha Khan

Email 6: Progress Meeting During Implementation

Date: Monday, 23 November 2026

From: Ayesha Khan ayesha.khan@nexabridge.example

To: Adeel Hamid adeel.hamid@alhamra.example, Bilal Ahmed bilal.ahmed@alhamra.example

Cc: Sana Iqbal sana.iqbal@alhamra.example, Department Heads (Sales, Warehouse, Purchasing)

Subject: Phase 1 progress meeting: Discovery report review, Thursday 26 November, 3:00 PM

Attachment: Discovery Report (draft)

Dear Mr. Hamid and Mr. Ahmed,

Phase 1 (Discovery) is on schedule and ends this Friday. I would like to invite you and your department heads to a progress meeting to review the Discovery report.

Meeting details

- **Date and time:** Thursday, 26 November 2026, 3:00 PM to 4:00 PM
- **Place:** Al-Hamra head office, Lahore

Agenda

Time	Topic
3:00 PM	Summary of findings from the department interviews (15 min)
3:15 PM	Gaps found and priorities (20 min)
3:35 PM	Decisions we need from you (15 min)
3:50 PM	Next steps for Phase 2 (10 min)

Decisions needed

- Confirm 25 users and 3 warehouses for the system.
- Name one "super-user" in each department to help their team.
- Approve the Discovery report, so we can start Phase 2 on Monday, 30 November.

Please read the attached draft before the meeting and send any comments by Wednesday, 25 November. Formal sign-off of the report is due on Friday, 27 November. Written minutes will follow within 24 hours of the meeting.

Kind regards,

Ayesha Khan

Quality Check

All six emails passed the checks below. Dates, weekdays and amounts were verified against the project proposal.

Check	What we looked for
Clear subject line	The reader knows the purpose and any date before opening the email
One purpose per email	A single request or decision, stated near the top
Polite, confident tone	Respectful, no pressure, no exaggerated claims
Correct dates	Every date has the right weekday, and no meeting falls on a public holiday
Matching numbers	Totals, instalments and the 20-user option agree with the proposal (PKR 4,395,000; PKR 879,000; PKR 4,155,000)

Check	What we looked for
Clear next step	Each email ends with what we ask the client to do and by when
Short and scannable	Short paragraphs, with lists or a table only where they help

Before you send these in real life: replace the sample names and addresses with real ones, attach the actual files named in Emails 3 and 6, and read each email once more on your phone to check it is easy to follow.
